

REMARKS

This Amendment is submitted simultaneously with filing of the above identified application.

With the present Amendment applicants canceled the original claims and submitted a new set of claims including claim 12, the broadest claim dealing with the discussion unit, claims 13-20 which depend on claim 12, and claims 21, 22, 23 dealing with an injector tool, a set with two exchangeable controls, and a conference system in accordance with the present invention.

Consideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance, then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-549-4700).

Respectfully submitted,
